## 47.000 Scope of part.

- (a) This part prescribes policies and procedures for-
- (1) Applying transportation and traffic management considerations in the *acquisition* of *supplies*; and
- (2) Acquiring transportation or transportation-related services by contract methods other than bills of lading, transportation requests, transportation warrants, and similar transportation forms. Transportation and transportation services can be obtained by *acquisition* subject to the FAR or by *acquisition* under 49 U.S.C. 10721 or 49 U.S.C. 13712. Even though the FAR does not regulate the *acquisition* of transportation or transportation-related services when the *bill of lading* is the contract, this contract method is widely used and, therefore, relevant guidance on the use of the *bill of lading* is provided in this part (see 47.104).
- (b) The definitions in this part have been condensed from statutory definitions. In case of inconsistency between the language of this part and the statutory requirements, the statute *shall* prevail.
