## 52.229-12 Tax on Certain Foreign Procurements.

As prescribed in 29.402-3(b), insert the following clause:

Tax on Certain Foreign Procurements—Notice and Representation (Feb 2021)

(a) Definitions. As used in this clause—

Foreign person means any person other than a *United States person*.

United States person, as defined in 26 U.S.C. 7701(a)(30), means-

- (1) A citizen or resident of the *United States*;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 7701(a)(31)); and
- (5) Any trust if-
- (i) A court within the *United States* is able to exercise primary supervision over the administration of the trust; and
- (ii) One or more *United States persons* have the authority to control all substantial decisions of the trust.
- (b) This clause applies only to *foreign persons*. It implements  $\underline{26~U.S.C.~5000C}$  and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c)

- (1) If the Contractor is a *foreign person* and has only a partial or no exemption to the withholding, the Contractor *shall* include the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign *Contracting* Party Receiving Federal *Procurement* Payments, with each voucher or *invoice* submitted under this contract throughout the period in which this status is applicable. The excise tax withholding is applied at the payment level, not at the contract level. The Contractor *should* revise each IRS Form W-14 submission to reflect the exemption (if any) that applies to that particular *invoice*, such as a different exemption applying. In the absence of a completed IRS Form W-14 accompanying a payment request, the default withholding percentage is 2 percent for the section 5000C withholding for that payment request. Information about IRS Form W-14 and its separate instructions is available via the internet at <a href="https://www.irs.gov/w14">www.irs.gov/w14</a>.
- (2) If the Contractor is a *foreign person* and has indicated in its *offer* in the provision <u>52.229-11</u>, Tax on Certain Foreign *Procurements*—Notice and Representation, that it is fully exempt from the withholding, and certified the full exemption on the IRS Form W-14, and if that full exemption no longer applies due to a change in circumstances during the performance of the contract that causes the Contractor to become subject to the withholding for the 2 percent excise tax then the Contractor

shall-

- (i) Notify the *Contracting Officer* within 30 days of a change in circumstances that causes the Contractor to be subject to the excise tax withholding under <u>26 U.S.C. 5000C</u>; and
- (ii) Comply with paragraph (c)(1) of this clause.
- (d) The Government will withhold a full 2 percent of each payment unless the Contractor *claims* an exemption. If the Contractor enters a ratio in Line 12 of the IRS Form W-14, the result of Line 11 divided by Line 10, the Government will withhold from each payment an amount equal to 2 percent multiplied by the contract ratio. If the Contractor marks box 9 of the IRS Form W-14 (rather than completes Lines 10 through 12), the Contractor *must* identify and enter the specific exempt and nonexempt amounts in Line 15 of the IRS Form W-14; the Government will then withhold 2 percent only from the nonexempt amount. See the IRS Form W-14 and its instructions.
- (e) Exemptions from the withholding under this clause are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the  $\underline{26~U.S.C.~5000C}$  tax are adjudicated by the IRS as the  $\underline{26~U.S.C.~5000C}$  tax is a tax matter, not a contract issue.
- (f) Taxes imposed under 26 U.S.C. 5000C may not be—
- (1) Included in the contract price; nor
- (2) Reimbursed.
- (g) A taxpayer *may*, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS *may* publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts.
