Subject: Elimination of the SF129

Kudos!!!!

It's about time this was done. The SF 129 was a great idea but has outlived its usefulness. Fedbizopps, AFSI and other on-line applications are working great, my opinion. I encourage to keep striving to eliminate the process that are no longer useful to the contracting professionals.

Supporting the Brave!

> Dear Ms. Duarte,

> We have reviewed the subject case on the Elimination of Standard Form 129,  
> Solicitation Mailing List Applkication, and have no substantive comments.  
> However we noticed what appears to be a typographical error in the  
> amendment to FAR section 52.214-10 (no. 18). The text removes  
> 14.201-6(e)2 and adds 14.202-6(c). We believe the reference should be to  
> 14.201-6(e), particularly as the amendment made to 14.201-6 (no. 6) cites  
> paragraph (e).
