FAC 2005-60 SUMMARY OF ITEMS

Federal Acquisition Circular (FAC) 2005-60 amends the Federal Acquisition Regulation (FAR) as specified below:

Item I—Reporting Executive Compensation and First-Tier Subcontract Awards (FAR Case 2008-039)

The interim rule published in the *Federal Register* at 75 FR 39414 on July 8, 2010, is adopted as final with changes. This rule implements section 2 of the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), which requires the Office of Management and Budget to establish a free, public, website containing full disclosure of all Federal contract award information.

The interim rule required contractors to report executive compensation and first-tier subcontract awards on contracts expected to be \$25,000 or more. This information is available to the public.

The final rule removes the exception for inserting the clause in classified solicitations and contracts, or solicitations or contracts with individuals. Classified information is not required to be disclosed. The clause is not prescribed for contracts unless they are required to be reported in the Federal Procurement Data System (FPDS). The final rule clarifies the responsibility of contracting officers to correct data originating from FPDS found by the contractor to be in error when the contractor completes the subcontract report. The definition of first-tier subcontractor is revised to allow contractors greater flexibility to determine their first-tier subcontractors. The rule also clarifies that a contractor must enter Transparency Act data when registering in the Central Contractor Registration (CCR) database and the contractor is required to report its executive compensation in CCR as a part of its annual registration requirement in CCR.

Replacement pages: THE 30-DAY PAGES WILL BE POSTED ON THEIR EFFECTIVE DATE OF August 27, 2012.

Item II—Payments Under Time-and-Materials and Labor-Hour Contracts (FAR Case 2011-003)

This final rule amends the FAR with regard to payments under time-and-materials and labor-hour contracts. First, the rule harmonizes payment provisions under commercial time-and-materials

and labor-hour contracts and non-commercial time-and-materials and labor-hour contracts, largely by having commercial time-and-materials and labor-hour contracts adopt the payment provisions of non-commercial time-and-materials and labor-hour contracts. Second, the rule harmonizes conflicting provisions of the "Allowable Cost and Payment" and "Payments Under Time-and-Materials" and "Labor-Hour Contracts" clauses, which are both prescribed under non-commercial time-and-materials contracts and labor-hour contracts, by using the same periods for invoicing, and submission of the completion voucher as those set forth in the "Allowable Cost and Payment" clause. This harmonization will serve to benefit small businesses under time-and-materials and labor-hour contracts by permitting bi-weekly rather than monthly invoicing, and providing contracting officers with the discretion to authorize even more frequent payments.

Replacement pages: THE 30-DAY PAGES WILL BE POSTED ON THEIR EFFECTIVE DATE OF August 27, 2012.

Item III-Extension of Sunset Dates for Protests of Task and Delivery Orders (FAR Case 2012-007) (Interim)

This interim rule amends the FAR to implement section 825 of the Ike Skelton National Defense Authorization Act for Fiscal Year 2011 (Pub. L. 111-383) and section 813 of the National Defense Authorization Act for Fiscal Year 2012 (Pub. L. 112-81). These statutes extend the sunset date for protests against awards of task or delivery orders to September 30, 2016. There is no effect on Government automated systems.

Replacement pages: 16.5-3 and 16.5-4.

Item IV-DARPA-New Mexico Tax Agreement (FAR Case 2012-019)

This final rule amends the FAR to add the United States Defense Advanced Research Projects Agency (DARPA) to the list of agencies that have entered into an agreement with the State of New Mexico. The agreement eliminates the double taxation of Government cost-reimbursement contracts when contractors and their subcontractors purchase tangible personal property to be used in performing services in whole or in part in the State of New Mexico, and for which title to such property will pass to the United States upon delivery of the property to the contractor and its subcontractors by the vendor. Small businesses benefit from this agreement because they will no longer have the administrative effort and cost associated with collecting this tax.

Replacement pages: THE 30-DAY PAGES WILL BE POSTED ON THEIR EFFECTIVE DATE OF August 27, 2012.

Item V—Clarification of Standards for Computer Generation of Forms (FAR Case 2011-022)

DoD, GSA, and NASA published a proposed rule in the *Federal Register* at 76 FR 79609 on December 22, 2011, to implement the removal of Federal Information Processing Standard (FIPS) 161. FIPS 161 is being removed based on the notice posted in the *Federal Register* at 73 FR 51276 on September 2, 2008, by the Department of Commerce. This is a technical change acknowledging the removal by the Department of Commerce of FIPS 161 and replacement with the American National Standards Institute (ANSI) X12 set of standards. There is no impact to the Government or contractors in establishing ANSI X12 as the new standard. Small businesses will continue to be able to generate forms by computer. No public comments were received on the proposed rule, therefore, the final rule will be published with no changes.

Replacement pages: THE 30-DAY PAGES WILL BE POSTED ON THEIR EFFECTIVE DATE OF August 27, 2012.

Item VI—Technical Amendments

1.104 Applicability.

The FAR applies to all acquisitions as defined in Part 2 of the FAR, except where expressly excluded.

1.105 Issuance.

1.105-1 Publication and code arrangement.

(a) The FAR is published in—

- (1) The daily issue of the *Federal Register*;
- (2) Cumulated form in the *Code of Federal Regulations* (CFR); and
- (3) A separate loose-leaf edition.

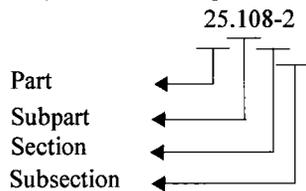

(b) The FAR is issued as Chapter 1 of Title 48, CFR. Subsequent chapters are reserved for agency acquisition regulations that implement or supplement the FAR (see Subpart 1.3). The CFR Staff will assign chapter numbers to requesting agencies.

(c) Each numbered unit or segment (e.g., part, subpart, section, etc.) of an agency acquisition regulation that is codified in the CFR shall begin with the chapter number. However, the chapter number assigned to the FAR will not be included in the numbered units or segments of the FAR.

1.105-2 Arrangement of regulations.

(a) *General.* The FAR is divided into subchapters, parts (each of which covers a separate aspect of acquisition), subparts, sections, and subsections.

(b) *Numbering.* (1) The numbering system permits the discrete identification of every FAR paragraph. The digits to the left of the decimal point represent the part number. The numbers to the right of the decimal point and to the left of the dash represent, in order, the subpart (one or two digits), and the section (two digits). The number to the right of the dash represents the subsection. Subdivisions may be used at the section and subsection level to identify individual paragraphs. The following example illustrates the make-up of a FAR number citation (note that subchapters are not used with citations):

(2) Subdivisions below the section or subsection level consist of parenthetical alpha numerics using the following sequence:

(a)(1)(i)(A)(I)(i)

(c) *References and citations.* (1) Unless otherwise stated, cross-references indicate parts, subparts, sections, subsections, paragraphs, subparagraphs, or subdivisions of this regulation.

(2) This regulation may be referred to as the Federal Acquisition Regulation or the FAR.

(3) Using the FAR coverage at 9.106-4(d) as a typical illustration, reference to the—

(i) Part would be “FAR part 9” outside the FAR and “part 9” within the FAR.

(ii) Subpart would be “FAR subpart 9.1” outside the FAR and “subpart 9.1” within the FAR.

(iii) Section would be “FAR 9.106” outside the FAR and “9.106” within the FAR.

(iv) Subsection would be “FAR 9.106-4” outside the FAR and “9.106-4” within the FAR.

(v) Paragraph would be “FAR 9.106-4(d)” outside the FAR and “9.106-4(d)” within the FAR.

(4) Citations of authority (e.g., statutes or Executive orders) in the FAR shall follow the *Federal Register* form guides.

1.105-3 Copies.

Copies of the FAR in *Federal Register*, loose-leaf, CD-ROM, and CFR form may be purchased from the—

1.106 OMB approval under the Paperwork Reduction Act.

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) imposes a requirement on Federal agencies to obtain approval from the Office of Management and Budget (OMB) before collecting information from 10 or more members of the public. The information collection and recordkeeping requirements contained in this regulation have been approved by the OMB. The following OMB control numbers apply:

Subpart 16.3—Cost-Reimbursement Contracts

16.301 General.

16.301-1 Description.

Cost-reimbursement types of contracts provide for payment of allowable incurred costs, to the extent prescribed in the contract. These contracts establish an estimate of total cost for the purpose of obligating funds and establishing a ceiling that the contractor may not exceed (except at its own risk) without the approval of the contracting officer.

16.301-2 Application.

(a) The contracting officer shall use cost-reimbursement contracts only when—

(1) Circumstances do not allow the agency to define its requirements sufficiently to allow for a fixed-price type contract (see 7.105); or

(2) Uncertainties involved in contract performance do not permit costs to be estimated with sufficient accuracy to use any type of fixed-price contract.

(b) The contracting officer shall document the rationale for selecting the contract type in the written acquisition plan and ensure that the plan is approved and signed at least one level above the contracting officer (see 7.103(j) and 7.105).

16.301-3 Limitations.

(a) A cost-reimbursement contract may be used only when—

(1) The factors in 16.104 have been considered;

(2) A written acquisition plan has been approved and signed at least one level above the contracting officer;

(3) The contractor's accounting system is adequate for determining costs applicable to the contract or order; and

(4) Prior to award of the contract or order, adequate Government resources are available to award and manage a contract other than firm-fixed-priced (see 7.104(e)). This includes appropriate Government surveillance during performance in accordance with 1.602-2, to provide reasonable assurance that efficient methods and effective cost controls are used.

(i) Designation of at least one contracting officer's representative (COR) qualified in accordance with 1.602-2 has been made prior to award of the contract or order; and

(ii) Appropriate Government surveillance during performance to provide reasonable assurance that efficient methods and effective cost controls are used.

(b) The use of cost-reimbursement contracts is prohibited for the acquisition of commercial items (see Parts 2 and 12).

16.302 Cost contracts.

(a) *Description.* A cost contract is a cost-reimbursement contract in which the contractor receives no fee.

(b) *Application.* A cost contract may be appropriate for research and development work, particularly with nonprofit educational institutions or other nonprofit organizations.

(c) *Limitations.* See 16.301-3.

16.303 Cost-sharing contracts.

(a) *Description.* A cost-sharing contract is a cost-reimbursement contract in which the contractor receives no fee and is reimbursed only for an agreed-upon portion of its allowable costs.

(b) *Application.* A cost-sharing contract may be used when the contractor agrees to absorb a portion of the costs, in the expectation of substantial compensating benefits.

(c) *Limitations.* See 16.301-3.

16.304 Cost-plus-incentive-fee contracts.

A cost-plus-incentive-fee contract is a cost-reimbursement contract that provides for an initially negotiated fee to be adjusted later by a formula based on the relationship of total allowable costs to total target costs. Cost-plus-incentive-fee contracts are covered in Subpart 16.4, Incentive Contracts. See 16.405-1 for a more complete description and discussion of application of these contracts. See 16.301-3 for limitations.

16.305 Cost-plus-award-fee contracts.

A cost-plus-award-fee contract is a cost-reimbursement contract that provides for a fee consisting of (a) a base amount (which may be zero) fixed at inception of the contract and (b) an award amount, based upon a judgmental evaluation by the Government, sufficient to provide motivation for excellence in contract performance. Cost-plus-award-fee contracts are covered in Subpart 16.4, Incentive Contracts. See 16.401(e) for a more complete description and discussion of the application of these contracts. See 16.301-3 and 16.401(e)(5) for limitations.

16.306 Cost-plus-fixed-fee contracts.

(a) *Description.* A cost-plus-fixed-fee contract is a cost-reimbursement contract that provides for payment to the contractor of a negotiated fee that is fixed at the inception of the contract. The fixed fee does not vary with actual cost, but may be adjusted as a result of changes in the work to be performed under the contract. This contract type permits contracting for efforts that might otherwise present too great a risk to contractors, but it provides the contractor only a minimum incentive to control costs.

(b) *Application.* (1) A cost-plus-fixed-fee contract is suitable for use when the conditions of 16.301-2 are present and, for example—

(i) The contract is for the performance of research or preliminary exploration or study, and the level of effort required is unknown; or

(ii) The contract is for development and test, and using a cost-plus-incentive-fee contract is not practical.

(2) A cost-plus-fixed-fee contract normally should not be used in development of major systems (see Part 34) once preliminary exploration, studies, and risk reduction have indicated a high degree of probability that the development is achievable and the Government has established reasonably firm performance objectives and schedules.

(c) *Limitations.* No cost-plus-fixed-fee contract shall be awarded unless the contracting officer complies with all limitations in 15.404-4(c)(4)(i) and 16.301-3.

(d) *Completion and term forms.* A cost-plus-fixed-fee contract may take one of two basic forms—completion or term.

(1) The completion form describes the scope of work by stating a definite goal or target and specifying an end product. This form of contract normally requires the contractor to complete and deliver the specified end product (e.g., a final report of research accomplishing the goal or target) within the estimated cost, if possible, as a condition for payment of the entire fixed fee. However, in the event the work cannot be completed within the estimated cost, the Government may require more effort without increase in fee, provided the Government increases the estimated cost.

(2) The term form describes the scope of work in general terms and obligates the contractor to devote a specified level of effort for a stated time period. Under this form, if the performance is considered satisfactory by the Government, the fixed fee is payable at the expiration of the agreed-upon period, upon contractor statement that the level of effort specified in the contract has been expended in performing the contract work. Renewal for further periods of performance is a new acquisition that involves new cost and fee arrangements.

(3) Because of the differences in obligation assumed by the contractor, the completion form is preferred over the term form whenever the work, or specific milestones for the work, can be defined well enough to permit development of estimates within which the contractor can be expected to complete the work.

(4) The term form shall not be used unless the contractor is obligated by the contract to provide a specific level of effort within a definite time period.

16.307 Contract clauses.

(a)(1) The contracting officer shall insert the clause at 52.216-7, Allowable Cost and Payment, in solicitations and contracts when a cost-reimbursement contract or a time-and-materials contract (other than a contract for a commercial item) is contemplated. If the contract is with an educational institution, modify the clause by deleting from paragraph (a) the words “Subpart 31.2” and substituting for them

“Subpart 31.3.” If the contract is with a State or local government, modify the clause by deleting from paragraph (a) the words “Subpart 31.2” and substituting for them “Subpart 31.6.” If the contract is with a nonprofit organization other than an educational institution, a State or local government, or a nonprofit organization exempted under OMB Circular No. A-122, modify the clause by deleting from paragraph (a) the words “Subpart 31.2” and substituting for them “Subpart 31.7.” If the contract is a time-and-materials contract, the clause at 52.216-7 applies only to the portion of the contract that provides for reimbursement of materials (as defined in the clause at 52.232-7) at actual cost.

(2) If the contract is a construction contract and contains the clause at 52.232-27, Prompt Payment for Construction Contracts, the contracting officer shall use the clause at 52.216-7 with its Alternate I.

(b) The contracting officer shall insert the clause at 52.216-8, Fixed Fee, in solicitations and contracts when a cost-plus-fixed-fee contract (other than a construction contract) is contemplated.

(c) The contracting officer shall insert the clause at 52.216-9, Fixed-Fee—Construction, in solicitations and contracts when a cost-plus-fixed-fee construction contract is contemplated.

(d) The contracting officer shall insert the clause at 52.216-10, Incentive Fee, in solicitations and contracts when a cost-plus-incentive-fee contract is contemplated.

(e)(1) The contracting officer shall insert the clause at 52.216-11, Cost Contract—No Fee, in solicitations and contracts when a cost-reimbursement contract is contemplated that provides no fee and is not a cost-sharing contract.

(2) If a cost-reimbursement research and development contract with an educational institution or a nonprofit organization that provides no fee or other payment above cost and is not a cost-sharing contract is contemplated, and if the contracting officer determines that withholding of a portion of allowable costs is not required, the contracting officer shall use the clause with its Alternate I.

(f)(1) The contracting officer shall insert the clause at 52.216-12, Cost-Sharing Contract—No Fee, in solicitations and contracts when a cost-sharing contract is contemplated.

(2) If a cost-sharing research and development contract with an educational institution or a nonprofit organization is contemplated, and if the contracting officer determines that withholding of a portion of allowable costs is not required, the contracting officer shall use the clause with its Alternate I.

(g) The contracting officer shall insert the clause at 52.216-15, Predetermined Indirect Cost Rates, in solicitations and contracts when a cost-reimbursement research and development contract with an educational institution (see 42.705-3(b)) is contemplated and predetermined indirect cost rates are to be used.

orders in those areas will be awarded on a sole-source basis; however, each awardee need not be capable of performing every requirement as well as any other awardee under the contracts. The contracting officer should consider the following when determining the number of contracts to be awarded:

- (1) The scope and complexity of the contract requirement.
- (2) The expected duration and frequency of task or delivery orders.
- (3) The mix of resources a contractor must have to perform expected task or delivery order requirements.
- (4) The ability to maintain competition among the awardees throughout the contracts' period of performance.

(B) The contracting officer must not use the multiple award approach if—

- (1) Only one contractor is capable of providing performance at the level of quality required because the supplies or services are unique or highly specialized;
- (2) Based on the contracting officer's knowledge of the market, more favorable terms and conditions, including pricing, will be provided if a single award is made;
- (3) The expected cost of administration of multiple contracts outweighs the expected benefits of making multiple awards;
- (4) The projected task orders are so integrally related that only a single contractor can reasonably perform the work;
- (5) The total estimated value of the contract is less than the simplified acquisition threshold; or
- (6) Multiple awards would not be in the best interests of the Government.

(C) The contracting officer must document the decision whether or not to use multiple awards in the acquisition plan or contract file. The contracting officer may determine that a class of acquisitions is not appropriate for multiple awards (see Subpart 1.7).

(D) (1) No task or delivery order contract in an amount estimated to exceed \$103 million (including all options) may be awarded to a single source unless the head of the agency determines in writing that—

- (i) The task or delivery orders expected under the contract are so integrally related that only a single source can reasonably perform the work;
- (ii) The contract provides only for firm-fixed price (see 16.202) task or delivery orders for—
 - (A) Products for which unit prices are established in the contract; or
 - (B) Services for which prices are established in the contract for the specific tasks to be performed;
- (iii) Only one source is qualified and capable of performing the work at a reasonable price to the Government; or

(iv) It is necessary in the public interest to award the contract to a single source due to exceptional circumstances.

(2) The head of the agency must notify Congress within 30 days after any determination under paragraph (c)(1)(ii)(D)(1)(iv) of this section.

(3) The requirement for a determination for a single-award contract greater than \$103 million:

- (i) Is in addition to any applicable requirements of Subpart 6.3.
- (ii) Is not applicable for architect-engineer services awarded pursuant to Subpart 36.6.

(2) *Contracts for advisory and assistance services.*

(i) Except as provided in paragraph (c)(2)(ii) of this section, if an indefinite-quantity contract for advisory and assistance services exceeds 3 years and \$12.5 million, including all options, the contracting officer must make multiple awards unless—

(A) The contracting officer or other official designated by the head of the agency determines in writing, as part of acquisition planning, that multiple awards are not practicable. The contracting officer or other official must determine that only one contractor can reasonably perform the work because either the scope of work is unique or highly specialized or the tasks so integrally related;

(B) The contracting officer or other official designated by the head of the agency determines in writing, after the evaluation of offers, that only one offeror is capable of providing the services required at the level of quality required; or

(C) Only one offer is received.

(ii) The requirements of paragraph (c)(2)(i) of this section do not apply if the contracting officer or other official designated by the head of the agency determines that the advisory and assistance services are incidental and not a significant component of the contract.

16.505 Ordering.

(a) *General.* (1) In general, the contracting officer does not synopsise orders under indefinite-delivery contracts; except see 16.505(a)(4) and (11), and 16.505(b)(2)(ii)(D).

(2) Individual orders shall clearly describe all services to be performed or supplies to be delivered so the full cost or price for the performance of the work can be established when the order is placed. Orders shall be within the scope, issued within the period of performance, and be within the maximum value of the contract.

(3) Performance-based acquisition methods must be used to the maximum extent practicable, if the contract or order is for services (see 37.102(a) and Subpart 37.6).

(4) The following requirements apply when procuring items peculiar to one manufacturer:

- (i) The contracting officer must justify restricting consideration to an item peculiar to one manufacturer (e.g., a

particular brand-name, product, or a feature of a product that is peculiar to one manufacturer). A brand-name item, even if available on more than one contract, is an item peculiar to one manufacturer. Brand-name specifications shall not be used unless the particular brand-name, product, or feature is essential to the Government's requirements and market research indicates other companies' similar products, or products lacking the particular feature, do not meet, or cannot be modified to meet, the agency's needs.

(ii) Requirements for use of items peculiar to one manufacturer shall be justified and approved using the format(s) and requirements from paragraphs (b)(2)(ii)(A), (B), and (C) of this section, modified to show the brand-name justification. A justification is required unless a justification covering the requirements in the order was previously approved for the contract in accordance with 6.302-1(c) or unless the base contract is a single-award contract awarded under full and open competition. Justifications for the use of brand-name specifications must be completed and approved at the time the requirement for a brand-name is determined.

(iii)(A) For an order in excess of \$25,000, the contracting officer shall—

(1) Post the justification and supporting documentation on the agency website used (if any) to solicit offers for orders under the contract; or

(2) Provide the justification and supporting documentation along with the solicitation to all contract awardees.

(B) The justifications for brand-name acquisitions may apply to the portion of the acquisition requiring the brand-name item. If the justification is to cover only the portion of the acquisition which is brand-name, then it should so state; the approval level requirements will then only apply to that portion.

(C) The requirements in paragraph (a)(4)(iii)(A) of this section do not apply when disclosure would compromise the national security (e.g., would result in disclosure of classified information) or create other security risks.

(D) The justification is subject to the screening requirement in paragraph (b)(2)(ii)(D)(4) of this section.

(5) When acquiring information technology and related services, consider the use of modular contracting to reduce program risk (see 39.103(a)).

(6) Orders may be placed by using any medium specified in the contract.

(7) Orders placed under indefinite-delivery contracts must contain the following information:

(i) Date of order.

(ii) Contract number and order number.

(iii) For supplies and services, contract item number and description, quantity, and unit price or estimated cost or fee.

(iv) Delivery or performance schedule.

(v) Place of delivery or performance (including consignee).

(vi) Any packaging, packing, and shipping instructions.

(vii) Accounting and appropriation data.

(viii) Method of payment and payment office, if not specified in the contract (see 32.1110(e)).

(8) Orders placed under a task-order contract or delivery-order contract awarded by another agency (i.e., a Governmentwide acquisition contract, or multi-agency contract)—

(i) Are not exempt from the development of acquisition plans (see Subpart 7.1), and an information technology acquisition strategy (see Part 39);

(ii) May not be used to circumvent conditions and limitations imposed on the use of funds (e.g., 31 U.S.C. 1501(a)(1)); and

(iii) Must comply with all FAR requirements for a bundled contract when the order meets the definition of "bundled contract" (see 2.101(b)).

(9) In accordance with section 1427(b) of Public Law 108-136, orders placed under multi-agency contracts for services that substantially or to a dominant extent specify performance of architect-engineer services, as defined in 2.101, shall—

(i) Be awarded using the procedures at Subpart 36.6; and

(ii) Require the direct supervision of a professional architect or engineer licensed, registered or certified in the State, Federal District, or outlying area, in which the services are to be performed.

(10) (i) No protest under Subpart 33.1 is authorized in connection with the issuance or proposed issuance of an order under a task-order contract or delivery-order contract, except for—

(A) A protest on the grounds that the order increases the scope, period, or maximum value of the contract; or

(B) A protest of an order valued in excess of \$10 million. Protests of orders in excess of \$10 million may only be filed with the Government Accountability Office, in accordance with the procedures at 33.104.

(ii) The authority to protest the placement of an order under (a)(10)(i)(B) of this section expires on September 30, 2016 (10 U.S.C. 2304a(d), 10 U.S.C. 2304c(e), 41 U.S.C. 4103(d), and 41 U.S.C. 4106(f)).

(11) Publicize orders funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) as follows:

(i) Notices of proposed orders shall follow the procedures in 5.704 for posting orders.

(ii) Award notices for orders shall follow the procedures in 5.705.

Subpart 22.18—Employment Eligibility Verification

22.1800 Scope.

This subpart prescribes policies and procedures requiring contractors to utilize the Department of Homeland Security (DHS), United States Citizenship and Immigration Service’s employment eligibility verification program (E-Verify) as the means for verifying employment eligibility of certain employees.

22.1801 Definitions.

As used in this subpart—

“Commercially available off-the-shelf (COTS) item”—

- (1) Means any item of supply that is—
 - (i) A commercial item (as defined in paragraph (1) of the definition at 2.101);
 - (ii) Sold in substantial quantities in the commercial marketplace; and
 - (iii) Offered to the Government, without modification, in the same form in which it is sold in the commercial marketplace; and
- (2) Does not include bulk cargo, as defined in section 3 of the Shipping Act of 1984 (46 U.S.C. App. 1702), such as agricultural products and petroleum products. Per 46 CFR 525.1 (c)(2), “bulk cargo” means cargo that is loaded and carried in bulk onboard ship without mark or count, in a loose unpackaged form, having homogenous characteristics. Bulk cargo loaded into intermodal equipment, except LASH or Seabee barges, is subject to mark and count and, therefore, ceases to be bulk cargo.

“Employee assigned to the contract” means an employee who was hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), who is directly performing work, in the United States, under a contract that is required to include the clause prescribed at 22.1803. An employee is not considered to be directly performing work under a contract if the employee—

- (1) Normally performs support work, such as indirect or overhead functions; and
- (2) Does not perform any substantial duties applicable to the contract.

“Subcontract” means any contract, as defined in 2.101, entered into by a subcontractor to furnish supplies or services for performance of a prime contract or a subcontract. It includes but is not limited to purchase orders, and changes and modifications to purchase orders.

“Subcontractor” means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a prime contractor or another subcontractor.

“United States”, as defined in 8 U.S.C. 1101(a)(38), means the 50 States, the District of Columbia, Puerto Rico, Guam,

the Commonwealth of Northern Mariana Islands, and the U.S. Virgin Islands.

22.1802 Policy.

(a) Statutes and Executive orders require employers to abide by the immigration laws of the United States and to employ in the United States only individuals who are eligible to work in the United States. The E-Verify program provides an Internet-based means of verifying employment eligibility of workers employed in the United States, but is not a substitute for any other employment eligibility verification requirements.

(b) Contracting officers shall include in solicitations and contracts, as prescribed at 22.1803, requirements that Federal contractors must—

- (1) Enroll as Federal contractors in E-Verify;
- (2) Use E-Verify to verify employment eligibility of all new hires working in the United States, except that the contractor may choose to verify only new hires assigned to the contract if the contractor is—
 - (i) An institution of higher education (as defined at 20 U.S.C. 1001(a));
 - (ii) A State or local government or the government of a Federally recognized Indian tribe; or
 - (iii) A surety performing under a takeover agreement entered into with a Federal agency pursuant to a performance bond;
- (3) Use E-Verify to verify employment eligibility of all employees assigned to the contract; and
- (4) Include these requirements, as required by the clause at 52.222-54, in subcontracts for—
 - (i) Commercial or noncommercial services, except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item; and
 - (ii) Construction.

(c) Contractors may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands) instead of just those employees assigned to the contract. The contractor is not required to verify employment eligibility of—

- (1) Employees who hold an active security clearance of confidential, secret, or top secret; or
- (2) Employees for whom background investigations have been completed and credentials issued pursuant to Homeland Security Presidential Directive (HSPD)-12.

(d) In exceptional cases, the head of the contracting activity may waive the E-Verify requirement for a contract or subcontract or a class of contracts or subcontracts, either temporarily

or for the period of performance. This waiver authority may not be delegated.

(e) DHS and the Social Security Administration (SSA) may terminate a contractor's MOU and deny access to the E-Verify system in accordance with the terms of the MOU. If DHS or SSA terminates a contractor's MOU, the terminating agency must refer the contractor to a suspension or debarment official for possible suspension or debarment action. During the period between termination of the MOU and a decision by the suspension or debarment official whether to suspend or debar, the contractor is excused from its obligations under paragraph (b) of the clause at 52.222-54. If the contractor is suspended or debarred as a result of the MOU termination, the contractor is not eligible to participate in E-Verify during the period of its suspension or debarment. If the suspension or debarment official determines not to suspend or debar the contractor, then the contractor must reenroll in E-Verify.

22.1803 Contract clause.

Insert the clause at 52.222-54, Employment Eligibility Verification, in all solicitations and contracts that exceed the simplified acquisition threshold, except those that—

(a) Are only for work that will be performed outside the United States;

(b) Are for a period of performance of less than 120 days; or

(c) Are only for—

(1) Commercially available off-the-shelf items;

(2) Items that would be COTS items, but for minor modifications (as defined at paragraph (3)(ii) of the definition of "commercial item" at 2.101);

(3) Items that would be COTS items if they were not bulk cargo; or

(4) Commercial services that are—

(i) Part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications);

(ii) Performed by the COTS provider; and

(iii) Are normally provided for that COTS item.

pose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

52.212-5 Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Items.

As prescribed in 12.301(b)(4), insert the following clause:

(End of clause)

52.215-20 Requirements for Certified Cost or Pricing Data and Data Other Than Certified Cost or Pricing Data.

As prescribed in 15.408(l), insert the following provision:

REQUIREMENTS FOR CERTIFIED COST OR PRICING DATA
AND DATA OTHER THAN CERTIFIED COST OR PRICING
DATA (OCT 2010)

(a) *Exceptions from certified cost or pricing data.* (1) In lieu of submitting certified cost or pricing data, offerors may submit a written request for exception by submitting the information described in the following paragraphs. The Contracting Officer may require additional supporting information, but only to the extent necessary to determine whether an exception should be granted, and whether the price is fair and reasonable.

(i) *Identification of the law or regulation establishing the price offered.* If the price is controlled under law by periodic rulings, reviews, or similar actions of a governmental body, attach a copy of the controlling document, unless it was previously submitted to the contracting office.

(ii) *Commercial item exception.* For a commercial item exception, the offeror shall submit, at a minimum, information on prices at which the same item or similar items have previously been sold in the commercial market that is adequate for evaluating the reasonableness of the price for this acquisition. Such information may include—

(A) For catalog items, a copy of or identification of the catalog and its date, or the appropriate pages for the offered items, or a statement that the catalog is on file in the buying office to which the proposal is being submitted. Provide a copy or describe current discount policies and price lists (published or unpublished), e.g., wholesale, original equipment manufacturer, or reseller. Also explain the basis of each offered price and its relationship to the established catalog price, including how the proposed price relates to the price of recent sales in quantities similar to the proposed quantities;

(B) For market-priced items, the source and date or period of the market quotation or other basis for market price, the base amount, and applicable discounts. In addition, describe the nature of the market;

(C) For items included on an active Federal Supply Service Multiple Award Schedule contract, proof that an exception has been granted for the schedule item.

(2) The offeror grants the Contracting Officer or an authorized representative the right to examine, at any time before award, books, records, documents, or other directly pertinent records to verify any request for an exception under this provision, and the reasonableness of price. For items priced using catalog or market prices, or law or regulation, access does not extend to cost or profit information or other data relevant solely to the offeror's determination of the prices to be offered in the catalog or marketplace.

(b) *Requirements for certified cost or pricing data.* If the offeror is not granted an exception from the requirement to submit certified cost or pricing data, the following applies:

(1) The offeror shall prepare and submit certified cost or pricing data, data other than certified cost or pricing data, and supporting attachments in accordance with the instructions contained in Table 15-2 of FAR 15.408, which is incorporated by reference with the same force and effect as though it were inserted here in full text. The instructions in Table 15-2 are incorporated as a mandatory format to be used in this contract, unless the Contracting Officer and the Contractor agree to a different format and change this clause to use Alternate I.

(2) As soon as practicable after agreement on price, but before contract award (except for unpriced actions such as letter contracts), the offeror shall submit a Certificate of Current Cost or Pricing Data, as prescribed by FAR 15.406-2.

(End of provision)

Alternate I (Oct 2010). As prescribed in 15.408(l) (and see 15.403-5(b)(1)), substitute the following paragraph (b)(1) for paragraph (b)(1) of the basic provision:

(b)(1) The offeror shall submit certified cost or pricing data, data other than certified cost or pricing data, and supporting attachments in the following format: [Insert description of the data and format that are required, and include access to records necessary to permit an adequate evaluation of the proposed price in accordance with 15.408, Table 15-2, Note 2. The description may be inserted at the time of issuing the solicitation, or the Contracting Officer may specify that the offeror's

format will be acceptable, or the description may be inserted as the result of negotiations.];

Alternate II (Oct 1997). As prescribed in 15.408(l), add the following paragraph (c) to the basic provision:

(c) When the proposal is submitted, also submit one copy each to: (1) the Administrative Contracting Officer, and (2) the Contract Auditor.

Alternate III (Oct 1997). As prescribed in 15.408(l), add the following paragraph (c) to the basic provision (if Alternate II is also used, redesignate the following paragraph as paragraph (d)).

(c) Submit the cost portion of the proposal via the following electronic media: [Insert media format, e.g., electronic spreadsheet format, electronic mail, etc.]

Alternate IV (Oct 2010). As prescribed in 15.408(l), replace the text of the basic provision with the following:

(a) Submission of certified cost or pricing data is not required.

(b) Provide data described below: [Insert description of the data and the format that are required, including the access to records necessary to permit an adequate evaluation of the proposed price in accordance with 15.403-3.]

52.215-21 Requirements for Certified Cost or Pricing Data and Data Other Than Certified Cost or Pricing Data—Modifications.

As prescribed in 15.408(m), insert the following clause:

REQUIREMENTS FOR CERTIFIED COST OR PRICING DATA AND DATA OTHER THAN CERTIFIED COST OR PRICING DATA—MODIFICATIONS (OCT 2010)

(a) *Exceptions from certified cost or pricing data.*(1) In lieu of submitting certified cost or pricing data for modifications under this contract, for price adjustments expected to exceed the threshold set forth at FAR 15.403-4 on the date of the agreement on price or the date of the award, whichever is later, the Contractor may submit a written request for exception by submitting the information described in the following paragraphs. The Contracting Officer may require additional supporting information, but only to the extent necessary to determine whether an exception should be granted, and whether the price is fair and reasonable—

(i) *Identification of the law or regulation establishing the price offered.* If the price is controlled under law by periodic rulings, reviews, or similar actions of a governmental body, attach a copy of the controlling document, unless it was previously submitted to the contracting office.

(ii) *Information on modifications of contracts or subcontracts for commercial items.* (A) If—

(1) The original contract or subcontract was granted an exception from certified cost or pricing data requirements because the price agreed upon was based on adequate price competition or prices set by law or regulation, or

that all of the conditions in paragraphs (a) through (c) of this clause will be met.

(e) If the Department of Labor determines that any conditions for exemption in paragraphs (a) through (c) of this clause have not been met, the exemption shall be deemed inapplicable, and the contract shall become subject to the Service Contract Act. In such case, the procedures at 29 CFR 4.123(e)(1)(iv) and 29 CFR 4.5(c) will be followed.

(f) The Contractor shall include the substance of this clause, including this paragraph (f), in subcontracts for exempt services under this contract.

(End of clause)

52.222-52 Exemption from Application of the Service Contract Act to Contracts for Certain Services—Certification.

As prescribed in 22.1006(e)(3), insert the following provision:

EXEMPTION FROM APPLICATION OF THE SERVICE
CONTRACT ACT TO CONTRACTS FOR CERTAIN
SERVICES—CERTIFICATION (NOV 2007)

(a) The offeror shall check the following certification:

CERTIFICATION

The offeror does does not certify that—

(1) The services under the contract are offered and sold regularly to non-Governmental customers, and are provided by the offeror (or subcontractor in the case of an exempt subcontract) to the general public in substantial quantities in the course of normal business operations;

(2) The contract services are furnished at prices that are, or are based on, established catalog or market prices. An “established catalog price” is a price included in a catalog, price list, schedule, or other form that is regularly maintained by the manufacturer or the offeror, is either published or otherwise available for inspection by customers, and states prices at which sales currently, or were last, made to a significant number of buyers constituting the general public. An “established market price” is a current price, established in the usual course of ordinary and usual trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or offeror;

(3) Each service employee who will perform the services under the contract will spend only a small portion of his or her time (a monthly average of less than 20 percent of the available hours on an annualized basis, or less than 20 percent of available hours during the contract period if the contract period is less than a month) servicing the Government contract; and

(4) The offeror uses the same compensation (wage and fringe benefits) plan for all service employees performing

work under the contract as the offeror uses for these employees and for equivalent employees servicing commercial customers.

(b) Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services. If the offeror certifies to the conditions in paragraph (a) of this provision, and the Contracting Officer determines in accordance with FAR 22.1003-4(d)(3) that the Service Contract Act—

(1) Will not apply to this offeror, then the Service Contract Act of 1965 clause in this solicitation will not be included in any resultant contract to this offeror; or

(2) Will apply to this offeror, then the clause at FAR 52.222-53, Exemption from Application of the Service Contract Act to Contracts for Certain Services—Requirements, in this solicitation will not be included in any resultant contract awarded to this offer, and the offeror may be provided an opportunity to submit a new offer on that basis.

(c) If the offeror does not certify to the conditions in paragraph (a) of this provision—

(1) The clause of this solicitation at 52.222-53, Exemption from Application of the Service Contract Act to Contracts for Certain Services—Requirements, will not be included in any resultant contract to this offeror; and

(2) The offeror shall notify the Contracting Officer as soon as possible if the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation.

(d) The Contracting Officer may not make an award to the offeror, if the offeror fails to execute the certification in paragraph (a) of this provision or to contact the Contracting Officer as required in paragraph (c) of this provision.

(End of provision)

52.222-53 Exemption from Application of the Service Contract Act to Contracts for Certain Services—Requirements.

As prescribed in 22.1006(e)(4), insert the following clause:

EXEMPTION FROM APPLICATION OF THE SERVICE
CONTRACT ACT TO CONTRACTS FOR CERTAIN
SERVICES— REQUIREMENTS (FEB 2009)

(a) The services under this contract are offered and sold regularly to non-Governmental customers, and are provided by the Contractor to the general public in substantial quantities in the course of normal business operations.

(b) The contract services are furnished at prices that are, or are based on, established catalog or market prices. An “established catalog price” is a price included in a catalog, price list, schedule, or other form that is regularly maintained by the manufacturer or the Contractor, is either published or otherwise available for inspection by customers, and states prices at which sales currently, or were last, made to a significant number of buyers constituting the general public. An “estab-

lished market price” is a current price, established in the usual course of ordinary and usual trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or Contractor.

(c) Each service employee who will perform the services under the contract will spend only a small portion of his or her time (a monthly average of less than 20 percent of the available hours on an annualized basis, or less than 20 percent of available hours during the contract period if the contract period is less than a month) servicing the Government contract.

(d) The Contractor uses the same compensation (wage and fringe benefits) plan for all service employees performing work under the contract as the Contractor uses for these employees and for equivalent employees servicing commercial customers.

(e)(1) Except for services identified in FAR 22.1003-4(d)(1)(iv), the subcontractor for exempt services shall be selected for award based on other factors in addition to price or cost with the combination of other factors at least as important as price or cost; or

(2) A subcontract for exempt services shall be awarded on a sole source basis.

(f) The Contractor is responsible for compliance with all the conditions of this exemption by its subcontractors. The Contractor shall determine in advance, based on the nature of the subcontract requirements and knowledge of the practices of likely subcontractors, that all or nearly all likely subcontractors will meet the conditions in paragraphs (a) through (d) of this clause. If the services are currently being performed under a subcontract, the Contractor shall consider the practices of the existing subcontractor in making a determination regarding the conditions in paragraphs (a) through (d) of this clause. If the Contractor has reason to doubt the validity of the certification, the requirements of the Service Contract Act shall be included in the subcontract.

(g) If the Department of Labor determines that any conditions for exemption at paragraphs (a) through (e) of this clause have not been met, the exemption shall be deemed inapplicable, and the contract shall become subject to the Service Contract Act. In such case, the procedures in at 29 CFR 4.123(e)(2)(iii) and 29 CFR 4.5(c) will be followed.

(h) The Contractor shall include the substance of this clause, including this paragraph (h), in subcontracts for exempt services under this contract.

(End of clause)

52.222-54 Employment Eligibility Verification.

As prescribed in 22.1803, Insert the following clause:

EMPLOYMENT ELIGIBILITY VERIFICATION (JUL 2012)

(a) *Definitions.* As used in this clause—

“Commercially available off-the-shelf (COTS) item”—

(1) Means any item of supply that is—

(i) A commercial item (as defined in paragraph (1) of the definition at 2.101);

(ii) Sold in substantial quantities in the commercial marketplace; and

(iii) Offered to the Government, without modification, in the same form in which it is sold in the commercial marketplace; and

(2) Does not include bulk cargo, as defined in section 3 of the Shipping Act of 1984 (46 U.S.C. App. 1702), such as agricultural products and petroleum products. Per 46 CFR 525.1 (c)(2), “bulk cargo” means cargo that is loaded and carried in bulk onboard ship without mark or count, in a loose unpackaged form, having homogenous characteristics. Bulk cargo loaded into intermodal equipment, except LASH or Seabee barges, is subject to mark and count and, therefore, ceases to be bulk cargo.

“Employee assigned to the contract” means an employee who was hired after November 6, 1986 (after November 27, 2009 in the Commonwealth of the Northern Mariana Islands), who is directly performing work, in the United States, under a contract that is required to include the clause prescribed at 22.1803. An employee is not considered to be directly performing work under a contract if the employee—

(1) Normally performs support work, such as indirect or overhead functions; and

(2) Does not perform any substantial duties applicable to the contract.

“Subcontract” means any contract, as defined in 2.101, entered into by a subcontractor to furnish supplies or services for performance of a prime contract or a subcontract. It includes but is not limited to purchase orders, and changes and modifications to purchase orders.

“Subcontractor” means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a prime Contractor or another subcontractor.

“United States”, as defined in 8 U.S.C. 1101(a)(38), means the 50 States, the District of Columbia, Puerto Rico, Guam, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands.

(b) *Enrollment and verification requirements.* (1) If the Contractor is not enrolled as a Federal Contractor in E-Verify at time of contract award, the Contractor shall—

(i) *Enroll.* Enroll as a Federal Contractor in the E-Verify program within 30 calendar days of contract award;

(ii) *Verify all new employees.* Within 90 calendar days of enrollment in the E-Verify program, begin to use E-Verify to initiate verification of employment eligibility of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); and

(iii) *Verify employees assigned to the contract.* For each employee assigned to the contract, initiate verification within 90 calendar days after date of enrollment or within 30 calendar days of the employee's assignment to the contract, whichever date is later (but see paragraph (b)(4) of this section).

(2) If the Contractor is enrolled as a Federal Contractor in E-Verify at time of contract award, the Contractor shall use E-Verify to initiate verification of employment eligibility of—

(i) *All new employees.* (A) *Enrolled 90 calendar days or more.* The Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or

(B) *Enrolled less than 90 calendar days.* Within 90 calendar days after enrollment as a Federal Contractor in E-Verify, the Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or

(ii) *Employees assigned to the contract.* For each employee assigned to the contract, the Contractor shall initiate verification within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever date is later (but see paragraph (b)(4) of this section).

(3) If the Contractor is an institution of higher education (as defined at 20 U.S.C. 1001(a)); a State or local government or the government of a Federally recognized Indian tribe; or a surety performing under a takeover agreement entered into with a Federal agency pursuant to a performance bond, the Contractor may choose to verify only employees assigned to the contract, whether existing employees or new hires. The Contractor shall follow the applicable verification requirements at (b)(1) or (b)(2) respectively, except that any requirement for verification of new employees applies only to new employees assigned to the contract.

(4) *Option to verify employment eligibility of all employees.* The Contractor may elect to verify all existing employees hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), rather than just those employees assigned to the contract. The Contractor shall initiate verification for each existing employee working in the United States who was hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), within 180 calendar days of—

(i) Enrollment in the E-Verify program; or

(ii) During the period between termination of the MOU and a decision by the suspension or debarment official whether to suspend or debar, the Contractor is excused from its obligations under paragraph (b) of this clause. If the suspension or debarment official determines not to suspend or debar the Contractor, then the Contractor must reenroll in E-Verify.

(c) *Web site.* Information on registration for and use of the E-Verify program can be obtained via the Internet at the Department of Homeland Security Web site: <http://www.dhs.gov/E-Verify>.

(d) *Individuals previously verified.* The Contractor is not required by this clause to perform additional employment verification using E-Verify for any employee—

(1) Whose employment eligibility was previously verified by the Contractor through the E-Verify program;

(2) Who has been granted and holds an active U.S. Government security clearance for access to confidential, secret, or top secret information in accordance with the National Industrial Security Program Operating Manual; or

(3) Who has undergone a completed background investigation and been issued credentials pursuant to Homeland Security Presidential Directive (HSPD)-12, Policy for a Common Identification Standard for Federal Employees and Contractors.

(e) *Subcontracts.* The Contractor shall include the requirements of this clause, including this paragraph (e) (appropriately modified for identification of the parties), in each subcontract that—

(1) *Is for—* (i) Commercial or noncommercial services (except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item); or
