

22.1009-1 General.

If the place of performance is unknown, the *contracting officer* may use the procedures in this section. The *contracting officer* should first attempt to identify the specific places or geographical areas where the services might be performed (see [22.1009-2](#)) and then *may* follow the procedures either in [22.1009-3](#) or in [22.1009-4](#).
