## 22.1012-1 Prevailing wage determinations.

(a)

- (1) The Wage and Hour Administrator may issue revisions to prevailing wage determinations periodically. The need for inclusion of a revised prevailing wage determination in a solicitation, contract or contract modification (see 22.1007) is determined by the date of receipt of the revised prevailing wage determination by the contracting agency. (Note the distinction between receipt by the agency and receipt by the contracting officer which may occur later.)
- (i) For purposes of using *Wage Determinations* at *SAM.gov*, the time of receipt by the *contracting* agency *shall* be the first *day* of publication of the revised prevailing *wage determination* on the website.
- (ii) For purposes of using the *e98* process, the time of receipt by the *contracting* agency *shall* be the date the agency receives actual notice of a new or revised prevailing *wage determination* from the Department of Labor as an *e98* response.
- (2) In selecting a prevailing wage determination from the Wage Determinations at SAM.gov website for use in a solicitation or other contract action, the contracting officer shall monitor the Wage Determinations at SAM.gov website to determine whether the applicable wage determination has been revised. Revisions published on the Wage Determinations at SAM.gov website or otherwise communicated to the contracting officer within the timeframes prescribed at 22.1012-1(b) and (c) are effective and must be included in the resulting contract. Monitoring can be accomplished by use of the Wage Determinations at SAM.gov website's "Alert Service".
- (b) The following *shall* apply when *contracting* by sealed bidding: a revised prevailing *wage determination shall* not be effective if it is received by the *contracting* agency less than 10 days before the opening of bids, and the *contracting officer* finds that there is not reasonable time to incorporate the revision in the *solicitation*.
- (c) For contractual actions other than sealed bidding, a revised prevailing wage determination received by the contracting agency after award of a new contract or a modification as specified in 22.1007(b) shall not be effective provided that the start of performance is within 30 days of the award or the specified modification. If the contract does not specify a start of performance date which is within 30 days of the award or the specified modification, and if contract performance does not commence within 30 days of the award or the specified modification, any revision received by the contracting agency not less than 10 days before commencement of the work shall be effective.
- (d) If the *contracting officer* has submitted an *e98* to the Department of Labor requesting a prevailing *wage determination* and has not received a response within 10 days, the *contracting officer shall* contact the *Wage and Hour Division* by telephone to determine when the *wage determination* can be expected. (The telephone number is provided on the *e98* website.)
