36.701 Standard and optional forms for use in contracting for construction or dismantling, demolition, or removal of improvements.

- (a) <u>Standard Form 1442</u>, <u>Solicitation</u>, <u>Offer</u>, and Award (<u>Construction</u>, Alteration, or Repair), <u>shall</u> be used to solicit and submit <u>offers</u>, and award <u>construction</u> or dismantling, demolition, or removal of improvements contracts expected to exceed the <u>simplified acquisition thresholds</u>, and <u>may</u> be used for contracts at or below the <u>simplified acquisition threshold</u>. In all sealed bid <u>solicitations</u>, or when the Government otherwise requires a noncancellable <u>offer</u> acceptance period, the <u>contracting officer shall</u> insert in the blank provided in Block 13D the number of calendar days that the <u>offer must</u> be available for acceptance after the date <u>offers</u> are due.
- (b) Optional Form 347, Order for *Supplies* or Services, *may* be used for *construction* or dismantling, demolition, or removal of improvements contracts that are at or below the *simplified acquisition* threshold; provided, that the *contracting officer* includes the clauses required (see <u>subpart 36.5</u>) in the simplified *acquisitions* (see <u>part 13</u>).
- (c) Contracting officers may use Optional Form 1419, Abstract of Offers-Construction, and Optional Form 1419A, Abstract of Offers-Construction, Continuation Sheet, or the automated equivalent, to record offers submitted in response to a sealed bid solicitation (see 14.403) and may also use it to record offers submitted in response to negotiated solicitations.
