42.501 General.

- (a) A postaward orientation aids both Government and contractor personnel to (1) achieve a clear and mutual understanding of all contract requirements, and (2) identify and resolve potential problems. However, it is not a substitute for the contractor's fully understanding the work requirements at the time *offers* are submitted, nor is it to be used to alter the final agreement arrived at in any negotiations leading to contract award.
- (b) Postaward orientation is encouraged to assist (see part 19)-
- (1) Small business concerns;
- (2) Small disadvantaged business concerns;
- (3) Veteran-owned small business concerns;
- (4) Service-disabled veteran-owned small business concerns;
- (5) HUBZone small business concerns; and
- (6) Women-owned small business concerns (including economically disadvantaged women-owned small business concerns and women-owned small business concerns eligible under the Women-Owned Small Business Program).
- (c) While cognizant Government or contractor personnel *may* request the *contracting officer* to arrange for orientation, it is up to the *contracting officer* to decide whether a postaward orientation in any form is necessary.
- (d) Maximum benefits will be realized when orientation is conducted promptly after award.
