42.1104 Surveillance requirements.

- (a) The contract administration office determines the extent of production surveillance on the basis of-
- (1) The criticality (degree of importance to the Government) assigned by the *contracting officer* (see 42.1105) to the *supplies* or services; and
- (2) Consideration of the following factors:
- (i) Contract requirements for reporting production progress and performance.
- (ii) The contract performance schedule.
- (iii) The contractor's production plan.
- (iv) The contractor's history of contract performance.
- (v) The contractor's experience with the contract *supplies* or services.
- (vi) The contractor's financial capability.
- (vii) Any supplementary written instructions from the contracting office.
- (b) Contracts at or below the *simplified acquisition threshold should* not normally require production surveillance.
- (c) In planning and conducting surveillance, contract administration offices shall make maximum use of any reliable contractor production control or data management systems.
- (d) In performing surveillance, contract administration office personnel shall avoid any action that may-
- (1) Be inconsistent with any contract requirement; or
- (2) Result in *claims* of waivers, of changes, or of other *contract modifications*.
