51.102 Authorization to use Government supply sources.

- (a) Before issuing an authorization to a contractor to use Government supply sources in accordance with 51.101(a) or (b), the *contracting officer shall* place in the contract file a written finding supporting issuance of the authorization. A written finding is not required when authorizing use of Government supply sources in accordance with 51.101(c). Except for findings under 51.101(a)(3), the determination *shall* be based on, but not limited to, considerations of the following factors:
- (1) The administrative cost of placing orders with Government supply sources and the program impact of delay factors, if any.
- (2) The lower cost of items available through Government supply sources.
- (3) Suitability of items available through Government supply sources.
- (4) Delivery factors such as cost and time.
- (5) Recommendations of the contractor.
- (b) Authorizations to subcontractors *shall* be issued through, and with the approval of, the contractor.
- (c) Upon deciding to authorize a contractor to use Government supply sources, the *contracting officer shall* request, *in writing*, as applicable-
- (1) A FEDSTRIP *activity address code*, through the agency's central contact point for matters involving activity address codes, from the General Services Administration (GSA) FXS Washington, DC 20406;
- (2) A MILSTRIP *activity address code* from the appropriate Department of Defense (DoD) service point listed in Section 1 of the Introduction to the DoD Activity Address Directory;
- (3) Approval for the contractor to use Department of Veterans Affairs (VA) supply sources from the Executive Director, Office of *Acquisition* and Logistics (003A), Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington DC 20420; or
- (4) Approval from the appropriate agency for the contractor to use a Government supply source other than those identified in paragraphs (c)(1) through (c)(3) of this section.
- (d) Each request made under paragraph (c) of this section shall contain-
- (1) The complete address(es) to which the contractor's mail, *freight*, and billing documents are to be directed;
- (2) A copy of the *contracting officer*'s letter of authorization to the contractor;
- (3) The prime contract number(s); and
- (4) The effective date and duration of each contract.

- (e) In each authorization to the contractor, the contracting officer-
- (1) *Shall* cite the contract number(s) involved;
- (2) *Shall*, when practicable, limit the period of the authorization;
- (3) Shall specify, as appropriate, that-
- (i) When requisitioning from GSA or DoD, the contractor *shall* use FEDSTRIP or MILSTRIP, as appropriate, and include the *activity address code* assigned by GSA or DoD; and
- (ii) When requisitioning from the VA, the contractor *should* use FEDSTRIP or MILSTRIP, as appropriate, <u>Optional Form 347</u>, Order for *Supplies* or Services (see 53.302-347), or an agency-approved form;
- (4) May include any other limitations or conditions deemed necessary. For example, the *contracting* officer may-
- (i) Authorize purchases from Government supply sources of any overhead *supplies*, but no production *supplies*;
- (ii) Limit any authorization requirement to use Government sources to a specific dollar amount, thereby leaving the contractor free to make smaller purchases from other sources if so desired;
- (iii) Restrict the authorization to certain facilities or to specific contracts; or
- (iv) Provide specifically if vesting of title is to differ from other property acquired or otherwise furnished by the contractor for use under the contract; and
- (5) *Shall* instruct the contractor to comply with the applicable policies and procedures prescribed in this subpart.
- (f) After issuing the authorization, the authorizing agency shall be responsible for-
- (1) Ensuring that contractors comply with the terms of their authorizations and that *supplies* and services obtained from Government supply sources are properly accounted for and properly used;
- (2) Any indebtedness incurred for supplies or services and not satisfied by the contractor; and
- (3) Submitting, in writing, to the appropriate Government sources, address changes of the contractor and deletions when contracts are completed or terminated.
