

52.246-5 Inspection of Services-Cost-Reimbursement.

As prescribed in 46.305 , insert the following clause in *solicitations* and contracts for services, or *supplies* that involve the furnishing of services, when a cost-reimbursement contract is contemplated:

Inspection of Services-Cost-Reimbursement (Apr 1984)

- (a) *Definition.*"Services," as used in this clause, includes services performed, workmanship, and material furnished or used in performing services.
- (b) The Contractor *shall* provide and maintain an *inspection* system acceptable to the Government covering the services under this contract. Complete records of all *inspection* work performed by the Contractor *shall* be maintained and made available to the Government during contract performance and for as long afterwards as the contract requires.
- (c) The Government has the right to inspect and test all services called for by the contract, to the extent practicable at all places and times during the term of the contract. The Government *shall* perform *inspections* and tests in a manner that will not unduly delay the work.
- (d) If any of the services performed do not conform with contract requirements, the Government *may* require the Contractor to perform the services again in conformity with contract requirements, for no additional fee. When the defects in services cannot be corrected by reperformance, the Government *may*-
- (1) Require the Contractor to take necessary action to ensure that future performance conforms to contract requirements; and
 - (2) Reduce any fee payable under the contract to reflect the reduced value of the services performed.
- (e) If the Contractor fails to promptly perform the services again or take the action necessary to ensure future performance in conformity with contract requirements, the Government *may*-
- (1) By contract or otherwise, perform the services and reduce any fee payable by an amount that is equitable under the circumstances; or
 - (2) Terminate the contract for default.
