

225.772-3 Procedures.

(a)(1) The contracting officer shall not award to any source that is a foreign satellite service provider or is offering satellite services provided by a foreign entity if such award presents an unacceptable cybersecurity risk, as determined by the Under Secretary of Defense for Acquisition and Sustainment or the Under Secretary of Defense for Policy.

(2) When procuring commercial satellite services from a foreign entity, the contracting officer shall review the exclusion records in the System for Award Management (SAM) database as required at FAR 9.405, to ensure that an entity identified in, or otherwise known to be involved in, the otherwise successful offer is not listed as ineligible in the SAM database (see FAR 9.405).

(b) If an offeror discloses information in accordance with paragraph (c) of the provision [252.225-7049](#), Prohibition on Acquisition of Certain Foreign Commercial Satellite Services—Representations, the contracting officer—

(1) Shall forward the information regarding the offeror through agency channels to the address at PGI [225.772-3](#); and

(2) Shall not award to that offeror, unless an exception is determined to apply in accordance with [225.772-4](#).

(c)(1) If the otherwise successful offeror provides negative responses to all representations in the provision at [252.225-7049](#), the contracting officer may rely on the representations, unless the contracting officer has an independent reason to question the representations.

(2) If the contracting officer has an independent reason to question a negative representation of the otherwise successful offeror, the contracting officer shall consult with the office specified in PGI [225.772-3](#), prior to deciding whether to award to that offeror.
