

Subpart 5605.2 - SYNOPSES OF PROPOSED CONTRACT ACTIONS

Parent topic: Part 5605 - PUBLICIZING CONTRACT ACTIONS

5605.207 Preparation and Transmittal of Synopses.

- (a)
 - (i) Contracting offices must use the Government Point of Entry (GPE) at beta.SAM to submit synopses to the maximum extent possible.
 - (ii) When release of government controlled technical data is required in a solicitation, the synopsis will include a statement for potential offerors to identify whether or not they are foreign owned, controlled, or influenced companies.
