

5652.215-9010 Cost and Pricing Data Not Required (1998) Section L

As prescribed in 5615.408(o), insert the following provision,

It is anticipated that adequate price competition will be available to determine price reasonableness. In the event that the price reasonableness cannot be determined based on adequate competition, the Contracting Officer may require the submittal of cost or pricing data in accordance with FAR 15.403.
