

452.236-75 Maximum Workweek - Construction Schedule.

As prescribed in 436.575, insert the following clause:

Maximum Workweek - Construction Schedule (NOV 1996)

Within ___ calendar days after receipt of a written request from the Contracting Officer, the Contractor must submit the following in writing for approval:

- (a) A schedule as required by FAR clause 52.236-15, Schedules for Construction Contracts, and
- (b) The hours (including the daily starting and stopping times) and days of the week the Contractor proposes to carry out the work.

The maximum workweek that will be approved is ___*.

(End of clause)

** Contracting Officer shall insert appropriate number of days and hours and/or days.*
