

# Subpart 1480.4 - Policy

**Parent topic:** PART 1480 - ACQUISITIONS UNDER THE BUY INDIAN ACT

## **1480.401 Requirement to give preference to Indian Economic Enterprises.**

(a) IA must use the negotiation authority of the Buy Indian Act to give preference to Indians or Federally Recognized Tribes whenever the use of that authority is practicable. The Buy Indian Act provides that so far as may be practicable, Indian labor shall be employed, and purchases of the products (including, but not limited to printing, notwithstanding any other law) of Indian industry may be made in open market at the discretion of the Secretary of the Interior. Thus, IA may use the Buy Indian Act to give preference to IEEs through set-asides when acquiring supplies, general services, A&E services, or construction to meet IA needs and requirements. All other FAR and DIAR requirements that do not conflict with this part, such as requirements applicable to the acquisition of A&E and construction services, remain applicable.

(b) The Buy Indian Act does not apply when a supply requirement can be met by existing inventories of the requiring agency or excess from other agencies.

(c) The CO will give priority to ISBEEs for all purchases, regardless of dollar value. COs when prioritizing ISBEEs may consider either:

(1) A set-aside for ISBEEs; or

(2) A sole source award to an ISBEE, as authorized under the FAR.

(d) If the CO determines after market research that there is no reasonable expectation of obtaining offers that will be competitive in terms of market price, quality, and delivery, the CO may consider either:

(1) A set-aside for IEEs; or

(2) A sole source award to an IEE, as authorized under the FAR.

(e) If the CO determines after market research that there is no reasonable expectation of obtaining offers that will be competitive in terms of market price, quality, and delivery from ISBEEs or IEEs, then the CO must follow the Deviation process under 1480.403.

(f) When only one offer is received from a responsible IEE in response to an acquisition set-aside or direct negotiation under paragraph (c)

(1) or (d)

(1) of this section:

(1) If the offer is not at a reasonable and fair market price, then the CO may negotiate with that enterprise for a reasonable and fair market price.

(2) If the offer is at a reasonable and fair market price, then the CO must:

- (i) Make an award to that enterprise;
  - (ii) Document the reason only one offer was considered; and
  - (iii) Initiate action to increase competition in future solicitations.
- (g) If the offers received from one or more responsible IEEs in response to an acquisition set-aside under paragraph (c)

(1) or (d)

(1) of this section are not reasonable or otherwise unacceptable, then the CO must follow the deviation process under 1480.403. The CO must document in the deviation determination the reasons why the IEE offeror(s) were not reasonable or otherwise unacceptable.

(1) If a deviation determination is approved, the CO must cancel the set-aside solicitation and inform all offerors in writing.

(2) When the solicitation of the same requirement is posted, the CO must inform all previous offerors in writing of the solicitation number.

## **1480.402 Delegations and responsibility.**

(a) The Secretary has delegated authority under the Buy Indian Act to the Assistant Secretary - Indian Affairs. IA exercises this authority in support of its mission and program activities and as a means of fostering Indian employment and economic development.

(b) The Secretary may delegate authority under the Buy Indian Act to a bureau or office within the Department of the Interior other than IA.

(c) The Chief Financial Officer of The Office of the Assistant Secretary - Indian Affairs is responsible for ensuring that all IA acquisitions under the Buy Indian Act comply with the requirements of this part.

## **1480.403 Deviations.**

There are certain instances where the application of the Buy Indian Act to an acquisition may not be appropriate. In these instances, the Contracting Officer must detail the reasons in writing and make a deviation determination.

(a) Sole source acquisitions awarded to an ISBEE or IEE under 1480.401(c)(2) or (d)(2) do not require a deviation determination and comply with the requirements of the Buy Indian Act.

(b) Some acquisitions by their very nature would make such a written determination unnecessary. The following acquisitions do not require a written deviation from the requirements of the Buy Indian Act:

(1) Any sole source acquisition justified and approved in accordance with FAR 6.3 and DIAR [1406.3](#) constitutes an authorized deviation from the requirements of the Buy Indian Act.

(2) Any order or call placed against an indefinite delivery vehicle that already has an approved deviation from the requirements of the Buy Indian Act.

(c) Deviation determinations are required for all other acquisitions where the Buy Indian Act is applicable and must be approved as follows:

Table 1 to Paragraph (c)

<b>For a proposed contract action</b>	<b>The following official may authorize a deviation</b>
Up to \$25,000	CO.
Exceeding \$25,000 but not exceeding \$700,000	One level above the CO or Chief of the Contracting Office (CCO) (or the IA Competition Advocate, absent a CCO).
Exceeding \$700,000 but not exceeding \$13.5 million	IA Competition Advocate.
Exceeding \$13.5 million but not exceeding \$57 million	The Head of the Contracting Activity or a designee who is a civilian serving in a position in a grade above GS-15 under the General Schedule or in a comparable or higher position under another schedule.
Exceeding \$57 million	Department of the Interior Senior Procurement Executive.

(d) Deviations may be authorized prior to issuing the solicitation when the CO makes the following determinations and takes the following actions:

(1) The CO determines after market research that there is no reasonable expectation of obtaining offers that will be competitive in terms of market price, quality, and delivery from two or more responsible ISBEE, IEEs, or direct negotiation with an IEE that is a certified 8a business.

(2) The deviation determination is authorized by the official listed at 1480.403(c) for the applicable contract action.

(e) If a deviation determination has been approved, the CO must follow the FAR and DIAR unless specified otherwise.

(f) Acquisitions made under an authorized deviation from the requirements of the Buy Indian Act must be made in conformance with the order of precedence required by FAR 8.002.
