

1.602-2-90 Automated Procurement Systems Internal Controls (APSIC) Program.

(a) The APSIC Program standardizes the oversight of automated procurement system functional outcomes, pricing and responsibility logic, contracting officer training and documentation, postaward reviews of automated award files, and price trend analysis.

(b) For procedures associated with the APSIC Program, see DLAM 5025.06, Automated Procurement System Internal Control (APSIC) ([https://issue-p.dla.mil/Published_Issuances/DLAM%205025.06%20Automated%20Procurement%20System%20Internal%20Control%20\(APSIC\).pdf](https://issue-p.dla.mil/Published_Issuances/DLAM%205025.06%20Automated%20Procurement%20System%20Internal%20Control%20(APSIC).pdf).)
