## 5349.7001 Congressional Notification on Significant Contract Terminations

The contracting officer must submit the proposed Congressional notification through the SCO to  $\underline{cognizant HCA workflow}$  at least five workdays before the proposed termination date. The cognizant HCA action officer will forward the information to  $\underline{SAF/LLW}$ . The contracting officer must not release the termination notice until Congress has been notified (see <u>MP5349.7001 Congressional Notification on Significant Contract Terminations</u>).
