

# **Subpart 528.3 - Insurance**

**Parent topic:** [Part 528 - Bonds and Insurance](#)

## **528.301 Policy.**

Insurance requirements must be adequate, just, and reasonable. They should be predicated on potential loss or damage, not necessarily on the value of the contract.

## **528.310 Contract clause for work on a Government installation.**

Insert the clause at [52.228-5](#), Government as Additional Insured, in solicitations and contracts that are expected to exceed the simplified acquisition threshold and require work on a Government installation.

## **528.311 Solicitation provision and contract clause on liability insurance under cost-reimbursement contracts.**

### **528.311-1 Contract clause.**

Use the clause at FAR 52.228-7, Insurance-Liability to Third Persons, in solicitations and contracts, other than those for construction and those for architect-engineer services, when a cost-reimbursement contract is contemplated, unless the head of the contracting activity waives the requirement for use of the clause.
