 - (1) A statement of the purpose of the lease.
 - (2) Functional, performance, or physical requirements.
 - (3) Any special requirements.

Follow the procedures in FAR 15.208.

570.303-4 Changes to SFOs.

- (a) If the Government's requirements change, either before or after receipt of proposals, issue an amendment. Document the amendment using the same method as for the SFO, written or electronic.
- (b) If time is critical, you may provide information on SFO amendments orally.
 - (1) Make a record of the information provided.
 - (2) Provide, or attempt to provide, the notice to all offerors or prospective offerors on the same day.
 - (3) Promptly confirm the information provided orally in a written amendment.
- (c) Distribute an amendment as follows:
 - (1) If before the proposal due date, send the amendment to all prospective offerors who were sent a copy of the SFO.
 - (2) If after proposal receipt, send the amendment to each offeror who submitted a proposal.
- (d) If an amendment is so substantial that it requires a complete revision of the SFO, cancel the SFO, readvertise if required by [570.106](#), and issue a new SFO.
- (e) If there are changes to the Government's requirements for amount of space, delineated area, occupancy date, and/or other major aspects of the requirements, the contracting officer shall consider whether there is a need to readvertise, and to document the file accordingly.

570.304 General source selection procedures.

- (a) These procedures apply to acquisitions of leasehold interests except if the contracting officer uses one of the following:
- (1) Simplified lease acquisition procedures authorized by 570.2.
 - (2) Two-phase design-build selection procedures authorized by 570.105-2.
- (b) The contracting officer is designated as the source selection official unless the HCA appoints another individual for a particular leasing action or group of leasing actions.
- (c) In a trade off procurement, the contracting officer must include price or cost to the Government, past performance, the planned participation of small disadvantaged business concerns in performance of the contract, and other factors as required by FAR 15.304 as evaluation factors. The contracting officer may include other evaluation factors as needed.

(1) In the government's interest.

(2) Consistent with the purpose and objectives of the two-phase selection process.

(e) In phase-two, require detailed technical and price proposals. Evaluate the proposals using the procedures in 570.306.

570.306 Evaluating offers.

(a) The contracting officer must evaluate offers solely in accordance with the factors and subfactors stated in the SFO.

The contracting officer must review the elements of the offeror's proposed rent to analyze whether the individual elements are realistic and reflect the offeror's clear understanding of the work to be performed. The contracting officer must discuss any inconsistencies with the offeror. If the offeror refuses to support or make any changes to the rent proposed, consider the risk to the Government prior to making any lease award.

(c) Notify unsuccessful offerors in writing or electronically in accordance with FAR 15.501 and 15.503(b).
