

1852.236-73 Hurricane plan.

As prescribed in 1836.570(c), insert the following clause:

Hurricane Plan (DEC 1988)

In the event of a hurricane warning, the Contractor shall—

- (a) Inspect the area and place all materials possible in a protected location;
- (b) Tie down, or identify and store, all outside equipment and materials;
- (c) Clear all surrounding areas and roofs of buildings, or tie down loose material, equipment, debris, and any other objects that could otherwise be blown away or blown against existing buildings; and
- (d) Ensure that temporary erosion controls are adequate.

(End of clause)
