237.102-71 Limitation on service contracts for military flight simulators.

(a) *Definitions.* As used in this subsection—

(1) “Military flight simulator” means any system to simulate the form, fit, and function of a military aircraft that has no commonly available commercial variant.

(2) “Service contract” means any contract entered into by DoD, the principal purpose of which is to furnish services in the United States through the use of service employees as defined in 41 U.S.C. 357(b).

(b) Under Section 832 of Pub. L. 109-364, as amended by Section 883(b) of Pub. L. 110-181, DoD is prohibited from entering into a service contract to acquire a military flight simulator. However, the Secretary of Defense may waive this prohibition with respect to a contract, if the Secretary—

(1) Determines that a waiver is in the national interest; and

(2) Provides an economic analysis to the congressional defense committees at least 30 days before the waiver takes effect. This economic analysis shall include, at a minimum—

(i) A clear explanation of the need for the contract; and

(ii) An examination of at least two alternatives for fulfilling the requirements that the contract is meant to fulfill, including the following with respect to each alternative:

(C) A discussion of the benefits to be realized from the alternative.

(D) A best value determination of each alternative and a detailed explanation of the life-cycle cost calculations used in the determination.

(c) When reviewing requirements or participating in acquisition planning that would result in a military department or defense agency acquiring a military flight simulator, the contracting officer shall notify the program officials of the prohibition in paragraph (b) of this subsection. If the program officials decide to request a waiver from the Secretary of Defense under paragraph (b) of this subsection, the contracting officer shall follow the procedures at PGI 237.102-71.

(1) Courses of action to be taken in the best interest of the Government; and

(2) Best technical performance for the warfighter; and

(c) The contract requires that the prime contractor for the contract may not advise or recommend the award of a contract or subcontract for the development or production of the major system to an entity owned in whole or in part by the prime contractor.

237.104 Personal services contracts.

(b)(i) Authorization to acquire the personal services of experts and consultants is included in 10 U.S.C. 129b. Personal service contracts for expert and consultant services must also be authorized by a determination and findings (D&F) in accordance with department/agency regulations.

(A) Generally, the D&F should authorize one contract at a time; however, an authorizing official may issue a blanket D&F for classes of contracts.

(B) Prepare each D&F in accordance with FAR 1.7 and include a determination that—

(1) The duties are of a temporary or intermittent nature;

(2) Acquisition of the services is advantageous to the national defense;

(3) DoD personnel with necessary skills are not available;

- (4) Excepted appointment cannot be obtained;
- (5) A nonpersonal services contract is not practicable;
- (6) Statutory authority, 5 U.S.C. 3109 and other legislation, apply; and
- (7) Any other determination required by statutes has been made.

(ii) Personal services contracts for health care are authorized by 10 U.S.C. 1091.

(A) This authority may be used to acquire—

- (1) Direct health care services provided in medical treatment facilities;
- (2) Health care services at locations outside of medical treatment facilities (such as the provision of medical screening examinations at military entrance processing stations); and
- (3) Services of clinical counselors, family advocacy program staff, and victim's services representatives to members of the Armed Forces and covered beneficiaries who require such services, provided in medical treatment facilities or elsewhere. Persons with whom a personal services contract may be entered into under this authority include clinical social workers, psychologists, psychiatrists, and other comparable professionals who have advanced degrees in counseling or related academic disciplines and who meet all requirements for State licensure and board certification requirements, if any, within their fields of specialization.

(B) Sources for personal services contracts with individuals under the authority of 10 U.S.C. 1091 shall be selected through the procedures in this section. These procedures do not apply to contracts awarded to business entities other than individuals. Selections made using the procedures in this section are exempt by statute from FAR Part 6 competition requirements (see 206.001(b)).

(D) The contracting officer must ensure that the requiring activity provides a copy of the approval with the purchase request.

(E) The contracting officer must provide adequate advance notice of contracting opportunities to individuals residing in the area of the facility. The notice must include the qualification criteria against which individuals responding will be evaluated. The contracting officer shall solicit applicants through at least one local publication which serves the area of the facility. Acquisitions under this section for personal service contracts are exempt from the posting and synopsis requirements of FAR Part 5.

(F) The contracting officer shall provide the qualifications of individuals responding to the notice to the commander of the facility for evaluation and ranking in accordance with agency procedures. Individuals must be considered solely on the basis of the professional qualifications established for the particular personal services being acquired and the Government's estimate of reasonable rates, fees, or other costs. The commander of the facility shall provide the contracting officer with rationale for the ranking of individuals, consistent with the required qualifications.

(G) Upon receipt from the facility of the ranked listing of applicants, the contracting officer shall either—

(1) Enter into negotiations with the highest ranked applicant. If a mutually satisfactory contract cannot be negotiated, the contracting officer shall terminate negotiations with the highest ranked applicant and enter into negotiations with the next highest.

(2) Enter into negotiations with all qualified applicants and select on the basis of qualifications and rates, fees, or other costs.

(H) In the event only one individual responds to an advertised requirement, the contracting officer is authorized to negotiate the contract award. In this case, the individual must still meet the minimum qualifications of the requirement and the contracting officer must be able to make a determination that the price is fair and reasonable.

(I) If a fair and reasonable price cannot be obtained from a qualified individual, the requirement should be canceled and acquired using procedures other than those set forth in this section.

(iii)(A) In accordance with 10 U.S.C. 129b(d), an agency may enter into a personal services contract if—

(1) The personal services—

(B) The contracting officer shall ensure that the applicable requirements of paragraph (b)(iii)(A)(2) of this section have been satisfied and shall include the approval documentation in the contract file.

(iv) The requirements of 5 U.S.C. 3109, Employment of Experts and Consultants; Temporary or Intermittent, do not apply to contracts entered into in accordance with paragraph (b)(iii) of this section.

(f)(i) Payment to each expert or consultant for personal services under 5 U.S.C. 3109 shall not exceed the highest rate fixed by the Classification Act Schedules for grade GS-15 (see 5 CFR 304.105(a)).
