Subject: CLASS DEVIATION (CD) in Support of Executive Order (EO) 14275, "Restoring Common Sense to Federal Procurement" - Deviation to FAR Part 44, Subcontracting Policies and Procedures

1. Purpose

This Class Deviation (CD) implements the FAR Council's model deviation text for FAR Part 44, Subcontracting Policies and Procedures. This action aligns with Executive Order (EO) 14275, "Restoring Common Sense to Federal Procurement," and the Revolutionary FAR Overhaul (RFO) initiative.

The revised FAR Part 44 enhances usability by restructuring and organizing the part in the logical flow of the acquisition lifecycle. FAR part 44 has been updated to create a more agile, risk-based, and efficient system that empowers contracting officers, reduces administrative burdens on contractors, and encourages broader participation from the commercial sector

2. Background

EO 14275, signed on April 15, 2025, established a policy that the FAR should contain only provisions required by statute or those essential for sound procurement. To implement this EO, the Office of Federal Procurement Policy (OFPP) is leading the Revolutionary FAR Overhaul (RFO) initiative, supported by the Federal Acquisition Regulatory Council. The initiative aims to eliminate unnecessary regulations and policies across all levels of the federal government.

Further guidance was provided by OMB Memorandum M-25-26, "Overhauling the Federal Acquisition Regulation," issued on May 2, 2025.

FAR Streamlining

As part of the RFO, the FAR will be streamlined to include only statutory requirements. Non-statutory content moved to new buying guides, collectively known as the Strategic Acquisition Guidance (SAG). The Council will first issue model deviation guidance by FAR part, followed by formal rulemaking through the notice and comment process. Agencies have 30 days to issue class deviations based on the model text once released.

A. Streamlining Agency Acquisition Supplements: Agencies must streamline their FAR supplements by removing regulations not based on statute or executive orders and by aligning with the FAR Council's deviation guidance. Supporting policies must also be updated to reflect

these changes. This is an excellent opportunity for NARA to formally publish a streamlined NARA FAR Supplement, ensuring consistency with the new FAR.

B. FAR Buying Guides and Supplemental Companion Guides (CG): As the FAR and agency supplements are streamlined, helpful non-regulatory content will be moved to these new FAR Buying Guides. These guides will offer practical instructions and best practices for implementing effective contracting methods, including those related to competition. The RFO Part 44 model deviation text is a plain language version that will be adhered to by all NARA contracting personnel.

3. Summary of Changes. FAR Part 44, Subcontracting Policies and Procedures, has been updated to create a more agile, risk-based, and efficient system that empowers contracting officers, reduces administrative burdens on contractors, and encourages broader participation from the commercial sector.

Statutory requirements retained in the RFO FAR Part 44 model deviation include, but may not be limited to, the following:

- 10 U.S.C. § 3322(c) and 41 U.S.C. § 3905(c), Advance Notice of Certain Subcontracts
- 41 U.S.C. § 3307, Preference for Commercial Products and Commercial Services

Change	Description
Retained	<ul style="list-style-type: none"> ● The revised part structure consolidates relevant guidance into process-oriented subparts: <ul style="list-style-type: none"> ○ Subpart 44.1 - Reserved ○ Subpart 44.2 - Evaluation and Award ○ Subpart 44.3 – Postaward ○ Subpart 44.4 - Subcontracts for Commercial Products and Commercial Services ● Most of the “Definitions”, now at section 44.001 are retained with only minor, non-substantive wording changes, with the exception of “approved purchasing system”. This definition can still be found at clause 52.244-2. ● Subpart 44.2 has been significantly streamlined to consolidate policies related to subcontract consent, advance notification, and the contracting officer's evaluation process. <ul style="list-style-type: none"> ○ The previous section 44.202-2(a) contained a detailed, 13-point checklist of considerations that the contracting officer was required to consider "at a minimum" for every consent request. Now, the new 44.201-3(b) provides a shorter, higher-level list of four situations that necessitate "careful and thorough review and consideration" of the request to subcontract. ○ Note that the FAR Companion Guide is expected to provide additional guidance on notice and consent best practices for commercial time and materials contracts. ● Subpart 44.3 is reorganized and streamlined into five subsections (from seven separate sections):

	<ul style="list-style-type: none"> ○ 44.301-1 Objective ○ 44.301-2 Requirements ○ 44.301-3 Responsibilities for granting, withholding or withdrawing approval ○ 44.301-4 Notice ○ 44.301-5 Withholding or withdrawing approval ● Section 44.402 now breaks down “Requirements” into three distinct categories that improve readability: <ul style="list-style-type: none"> ○ Preference (for commercial products and services) ○ Flowdown (rules for flowing down clauses) ○ Inapplicable laws (laws that do not apply to commercial products and services) ● The following clauses are retained (or remain reserved if previously reserved) with no changes to the text. <ul style="list-style-type: none"> ○ 52.244-1 Reserved ○ 52.244-2 Subcontracts ○ 52.244-3 Reserved ○ 52.244-4 Subcontractors and Outside Associates and Consultants (Architect-Engineer Services) ○ 52.244-5 Competition in Subcontracting ● The following clause is retained, with streamlining updates to reflect other RFO changes and references. <ul style="list-style-type: none"> ○ 52.244-6 Subcontracts for Commercial Products and Commercial Services

This table is not an exhaustive list.
